Issue No 1

July 2010

2010 Village Motors Pro Am Golf Event

The Pine Rivers Golf Club is pleased to announce the 2010 Village Motors Golf Pro Am to be played on the 25th August 2010. Members and visitors are welcome to compete on the day where they will be playing along side some of Queensland's finest Golfing Professionals in tournament conditions. The prize pool for the Professional's will be \$10 000 with great amateur prizes also being up for grabs. There will be a morning and afternoon shotgun

start where we hope 60 Professional and 120 amateur golfers take part in the event. After recent discussions with Village Motors they are very excited to be part of the 2010 event and look forward to working with the club to continue to build the event into the future. The club would also like to take the opportunity to thank all the sponsors, which without your loyal support an event like this would not be possible. Don't miss your chance to play

with a professional athlete in a tournament environment. If there are any members who would like to volunteer to help out on the day please put your name down in the golf shop. A great day is sure to be had by all who participate on the day.

Please phone the Golf Shop to nominate.

Golf Shop Report

The Golf Shop has finally been fitted out by Drummond Golf offering members a greater range of products at the very best of prices.

The Golf Shop is pleased to announce an 18 hole Wednesday competition. The competition is open for all players with an AGU handicap. So bring a

friend and enjoy a round of golf at the Pine. Please call the golf shop to book your next tee time.

- **Moreton Shield Matchplay**
- **New Monday Ladies Social Clinics 19th July**

The newly laid carpet in the Bistro Area

Clubhouse News

It is great to see the new carpet being laid throughout the clubhouse. Hopefully the fresh look will entice extra business through functions. A big thank you must go out to Peter Walbank and the people from Floorzone at North Lakes for the great

work they are doing with the new floor coverings. Poker nights are gradually improving with great incentives to players being offered. For more information in regards to our poker days please ask our friendly staff in the clubhouse. Don't forget our

great dining options for members and visitors on Thursday nights. Meals are rotated weekly on these nights and include-Schnitzel, Roast and Curry Nights. Look forward to seeing you at the Club soon for a delicious meal.

Arnold Palmer*

Course News

As most of you would be aware that the council will be upgrading Lakeside road in the new financial year. They have already cleared trees on the left side of the 4th and the right side of the 11th, so unfortunately for some of us our

protection from the roadway has been removed. Over the next couple of months we will be in full swing preparing the course for the upcoming Pro Am. If there are any members out there that would like to assist Col and the

team in the maintenance of the course please see Col over the coming weeks. Hope everyone is enjoying the weather and a great opportunity to play the course when it is looking its best.
Good Golfing.

A great night was had by all who attended the wine dinner .

Managers Report

There has been a continue rise in memberships and with the housing development in the area we hope to build on this over the next few years. There has been a steady increase in the amount of

functions being booked through the club. This great to see and we look forward to the continued growth of function bookings. We had a successful wine appreciation dinner in April. A special

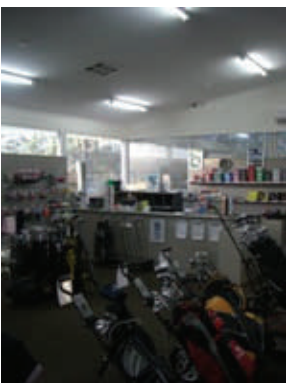

thanks to all staff involved. Keep an eye on the notice boards for the next special event at the club. I would also like to inform members to beware of the clubs Code Of Conduct. It will be enforced.

Our Refurbished Golf Shop

Presidents Report

Welcome to the first of what will be a monthly report to inform members of the clubs news. As everyone who has played recently would have noticed there is a change to the golf shop, with new carpets being laid as part of a sponsorship with Floorzone North

Lakes and being rebranded Drummond Golf. Members be aware that club money can be used to purchase all merchandise from the Golf Shop. Only Subscriptions and comp fees are excluded. The course is in sensational condition with the

greens getting faster in preparation for the club championships. These conditions don't happen by themselves, so I think we all owe Col and his staff for the work they have put in. Best of luck in the upcoming events.

Glenn Kendall

Captains Report

The conditions for golf have been wonderful over the past couple of months with the weather cooling down and not much rain. This has seen good competition fields, especially for the Monthly Medals. We are leading up to some big events on the golfing calendar with the Foursomes, Club Championships, and Pro-Am all being played in the coming months. We will be endeavouring to present the course in the best condition for both

our members and visiting players for these events but this is only possible with the cooperation and help of all members in the lead up. Finally the new handicap system has kicked off and everyone should now be aware of how this works and be conscious of the importance of handing in all competition cards. I see that some people's handicaps have changed quite dramatically with this transition, but as the number of

cards increase, these handicaps will reach an equilibrium point and the system will create a fairer playing field for everyone. If anyone has any questions relating to the new system please feel free to contact myself or Eric. Alternatively you can look on the Golf Queensland website. I hope everyone is enjoying their golf and look forward to seeing you at the next honor board event; the Foursome Championships.
